*Matthew 14:28-29:*

*And Peter answered him and said, Lord, if it be thou, bid me come unto thee on the water.*

*And he said, Come.*

*And when Peter was come down out of the ship, he walked on the water, to go to Jesus*

Some Christians today are unaware of what God can do through their lives. God does mighty works not through our SKILLS but through our WILLS. Lets look at some steps for us to experience a great miracle in 2010:

1. LOOK unto Jesus

- This involves knowing who Jesus is and what He can do
- This involves believing who Jesus is and what He can do
- Fear causes our eyes not to see what Jesus can do
- Things that give us fear, if overcome, lead us closer to Jesus

2. LIVE beyond life's conveniences

- The light of God's power is brighter during the dark moments of our life
- Our comforts sometimes keep us from hearing Jesus' invitation.
- Being well settled, sometimes, would restrain us from stepping out in faith. So, our comforts and luxuries confine us, making it easier to fail, when we take uncertain faltering steps for God.

3. LEARN from your mistakes

- One of the greatest blunders of Christians is to trust our skills, and not on the power of God. (Peter was a sea expert)
- Another great blunder is for us to take our eyes off Jesus and focus on our circumstances. (peter began to notice the waves.)
